Helpful Terminology

Genentech: The maker of the medicine your doctor wants to prescribe. Genentech is committed to helping patients get the medicine their doctor prescribed. When used on this form, the term “Genentech” refers to Genentech, Genentech Patient Foundation, and their respective partners, affiliates, subcontractors and agents.

Genentech Access Solutions: A team at Genentech that works with your doctor and health insurance plan to help you get your medicine.

Genentech Patient Foundation: A program that gives free Genentech medicine to people who don't have health insurance coverage or who have financial concerns and meet certain eligibility criteria.

Net household income: How much you and the members of your household currently make each year minus specific deductions. This is also frequently referred to as your Adjusted Gross Income or AGI. This information is needed to determine Genentech Patient Foundation eligibility.

Household size: Number of people living in your household, including you.

Deductible: The amount you pay for health care services or medicines out of pocket before your health insurance plan begins to pay.

Out-of-pocket costs: The amount not paid by the health insurance plan that you must pay for your treatment. This includes premiums, deductibles, co-pays and co-insurance.

Co-pay assistance: Programs available to help eligible patients pay for their medicines.

Alternate contact: Someone you choose to be your contact person if Genentech Access Solutions cannot reach you. An Alternate Contact may not be an individual associated with or a representative of your insurance company, employer, or a business partner of your insurance company or employer.

Legally authorized representative: An individual or judicial or other body authorized under applicable law to consent on behalf of a patient (e.g., parent or legal guardian of a minor).

Terms and Conditions of the Genentech Patient Foundation

- If I receive free medicine from the Genentech Patient Foundation, I will not sell or give out the medicine because it is illegal to do so. I am responsible to ensure that the medicine is sent to a secure address when shipped to me, and I must control any medicine that I receive
- I understand that, for purposes of an audit, the Genentech Patient Foundation may ask me for a copy of my IRS 1040 form or other proof of income
- Some insurance plans and/or employers partner with organizations known as alternate funding programs. Such arrangements require patients to apply to the Genentech Patient Foundation as a condition of, or prerequisite to, coverage of relevant Genentech products. These alternate funding programs include SHARx, Paydhealth, and Payer Matrix, among others. Patients whose insurance plans and/or employers use an alternative funding program are ineligible for support from the Genentech Patient Foundation
- I acknowledge that, to the best of my knowledge, neither my insurance plan nor my employer (1) required me to apply to the Genentech Patient Foundation and/or (2) changed or hid my insurance coverage for my Genentech medicine to make me appear to be underinsured and eligible for support from the Genentech Patient Foundation. I am not applying to the Genentech Patient Foundation on behalf of someone whose insurance plan and/or employer partners with an alternative funding program. The Alternate Contact listed on my application (if any) is not associated with or a representative of my insurance company, employer, or a business partner of my insurance company or employer. If I subsequently learn that my insurance plan and/or employer uses an alternative funding program, I agree to inform the Genentech Patient Foundation immediately and understand that I will no longer be eligible for support
